

## Mission Areas

TonyStewartFoundation.org

The Tony Stewart Foundation accepts grant applications from qualified organizations providing mission for any of three primary focus areas:

- Children with critical illness or injury
- Drivers injured in motor sports activities
- Protection of various animal species

The average grant range is between \$300 and \$10,000.

### **Children**

Applications will be considered that focus on charitable initiatives that improve the mental and/or physical well-being of children who endure serious chronic or life-threatening illness or injury.

### **Drivers**

Applications will be considered that focus on charitable initiatives that improve the mental and/or physical well-being of drivers who endure serious injury from participation in motor sports activities.

### **Animals**

Applications will be considered that focus on charitable initiatives that improve the physical well-being and/or address principle threats to animal welfare or animal conservation for various animal species.
